

“Why Do I Need Salt and Light?”

Based on Matthew 5:13-16 (NIV) February 9, 2020
Neil Peck, preaching

† **Both salt and light are essential to life.**

† **If salt has no flavor, it has no value.**

† **Salt brings out best flavor in food and I can bring out the best in others by the way I speak and act.**

† **I am a representative of Jesus' light for the world.**

† **I am to let my “light,” my faith and love for Christ, be seen by all.**

† **My “light” should be a guide.**

† **Salt and light are life-giving and useful.**

† **I am to be the salt and be the light! Be useful!**

Applying Today's Message to My Life:

† Who is someone who has enhanced my life?

† Whose life have I enhanced?

† Who has “lit up” my life?

† Whose life has God “lit up” through me?

† How will I be useful, salt and light, to someone this week?
