

“What Are You Waving?”

Based on Mark 11:1-10 (NIV)

Neil Peck, preaching

† Jesus got a royal welcome.

† Jesus rode not as a warring king on a horse or chariot, but as a gentle, peaceable king on a donkey’s colt. (See Zechariah 9:9)

† I am to offer the best of my self, my mind, my heart, my skills, to welcome Christ the King.

† “Hosanna” is a Hebrew word which mixes exuberant praise to God with the prayer that God will save the people.

† The lesson of Palm Sunday is that Jesus really is the King, just not the type of king that people expected.

† One of the greatest journeys that I can make is the journey from Jesus is King ? to Jesus is King !

Applying Today’s Message to My Life:

† How do I greet someone?

† How do I greet God in my Spiritual life?

† What do I have a hard time surrendering to Jesus: Self? Mind? Spiritual heart? Skills? Other?

† How will I give praise to Jesus Christ this week?
