

“What a Mother’s Day!”

May 12, 2019

Based on Luke 7:11-17 (NIV) Neil Peck, preaching

† This crowd around Jesus has excitement and joy.

† This other crowd is grieving and sad.

† This widow’s son had been her means of survival and hope for the future.

† Jewish people were not supposed to touch the dead.

† Jesus brought these two crowds who were going different directions and joined them together.

† Mother’s Day can bring different crowds together.

† Some are joyful for it is a special day for them.

† Some are sad because their mother was not the woman they needed.

† Some have longed to be a mother and it has not happened.

† God’s unconditional love for me is amazing in how it reaches out to me no matter the crowd I am in.

Applying Today’s Message to My Life:

† When have I been in a joyful crowd?

† When have I been in a sad crowd?

† How was God with me in the joyful crowd?

† How was God with me in the sad crowd?

† How will God be working through me in crowds and groups I am in this week? Month?
