

“Am I Willing?”

Based on Mark 6:1-13 (NIV) July 8, 2018

Neil Peck, preaching

† Jesus' hometown is Nazareth.

† The listeners lack of faith in Jesus kept the power of God from working among them.

† Faith is a critical element in the healing ministry of Jesus.

† The people refused to partner with the power of God in Jesus.

† God calls unlikely people, like me, to accomplish God's purposes.

† My story about what God has done in my life is all the equipment I need.

† Jesus sends me with whatever faith I have.

Applying Today's Message to My Life:

† What is my hometown?

How has it changed since I was young?

† When have I had a “lack of faith” in God? Why?

† When have I “refused to partner” with God? Why?

† What “equipment” has God blessed me with?

† How can God use me this week since God has provided all the “equipment” I need to be a disciple of Jesus?
