

## **“Famous Pairs”**

July 7, 2019

Based on Luke 10:1-11 (NIV) Neil Peck, preaching

† **People are not made to be alone, but to be in relationship with others and with God.**

† **Jesus sends these disciples out and he doesn't expect it to be an easy task.**

† **The disciples don't seem to have very high expectations.**

† **It's not about the great stuff that they accomplished. It is about God's presence with them.**

† **Even when it feels like I am alone, even when it seems like everyone has abandoned me, Jesus says, "I am with you."**

† **One of the greatest gifts that I can be given, and that I can give to someone else, is to simply be present with others.**

### **Applying Today's Message to My Life:**

† Who is someone I enjoy being with?

† When has God paired me with someone to help me?

† When has God paired me with someone to help them?

† How has God been a companion in my life?

† How will God and I work together this week?
