

“Don’t Quit -- Do It”

Based on Matthew 15:21-28 (NIV) August 20, 2017
Neil Peck, preaching

† **Matthew tells us that the woman was a foreigner, a Canaanite.**

† **Canaanites were enemies of the Jewish nation.**

† **To call Jesus the “Son of David” is an honorable title.**

† **The woman is persistent.**

† **This woman showed great faith.**

† **Jesus often told his disciples that they had “little faith”.**

† **God is good.**

† **Faith is being persistent, even if I shout my needs to God, and yet being content with God’s answer.**

Applying Today’s Message to My Life:

† When have I felt neglected by someone or a group?

† When have I felt neglected by God?

† When have I had “little faith” in God, like the disciples?

† When have I had “great faith” in God, like the woman?

† When has God given me more than I deserve?

† How will I demonstrate “great faith” this week?
