

“L_{ost} and F_{ound}”

September 22, 2019

Based on Luke 15:8-10 (NIV)

Neil Peck, preaching

† A parable is a simple story with an eternal lesson.

† Losing even one of these coins was a disaster, not just for the woman but also for the family's honor.

† There is no shame when one who was lost is found, only joy.

† I have a God who is always seeking me out.

† All of us, at one time or another, have lost our way.

† No matter how lost I become, God is always there searching for me.

Applying Today's Message to My Life:

† When have I lost something? How long did I search?

† When have I been lost in my faith?

† How did I find God's love and grace again?

† How has God used others to help me find my way when I was lost?

† How will God use me this week to help some one, or perhaps help me, who is lost to find their way?
