

“Take My Life?”

Based on Mark 4:30-32 (NIV)

Neil Peck, preaching November 25, 2018

† Giving is part of my spiritual formation.

† Christian stewardship has a positive effect in my life as well as on those organizations I support.

† To live the life of stewardship is to trust in God's love, mercy, and grace.

† Christian stewardship is the free and joyous activity of the child of God and God's family, the church, in managing all of life and life's resources for God's purpose.

† Christian stewardship involves my whole life - everything that God has entrusted to me to manage as a faithful steward.

Applying Today's Message to My Life:

† What have I received from someone this past week? Month?

† What have I received from God in the past week? Month?

† What have I given to someone in the past week? Month?

† What have I given to God in the past week? Month?

† How can I be a better steward of what God has entrusted me with?
